ONE
NINE
ELMS
LONDON

BY WANDA

www.onenineelms.co.uk

Wanda One UK and our contractors are committed to working with the local community and making a positive contribution to the local area. Our contractors, McGee, have been carrying out a comprehensive programme of engagement with the local community as works have progressed.

Cycle Safety Awareness Day

In May 2016 McGee held a cycle safety awareness day on site in association with Battersea Power Station and the Met Police. Local residents had the opportunity to sit in the cab of an HGV and see the road from the driver's perspective, get a safety briefing from the Met Police and receive a free bike check from cycle experts 'Have Bike'. Over 20 people attended the event and we will continue to hold regular cycle safety awareness days on site.

CCS Awards

We are delighted to announce that McGee has won the bronze award in the 2016 Considerate Constructors Scheme (CCS) National Site Awards.

McGee support Breast Cancer Awareness

McGee are committed supporters of the Breast Cancer Awareness campaign and the site team has raised over £1,000, with events such as cake sales taking place. On Breast Cancer Awareness Days our contractors 'wear it pink' in support of the charity. McGee look forward to continuing its support for Breast Cancer Awareness and further events will be taking place on site this autumn.

McGee support Breast Cancer Awareness Charity

McGee help London's homeless

The onsite team have been running a charity collection for local hostel Graham House. Graham House is a London based charity that helps homeless and vulnerable people to find decent homes, build supportive relationships and lead fulfilling lives. The shelter is home to over 69 rough sleepers. McGee has been donating a selection of toiletries to help support the shelter.

Traffic marshall training

We are committed to being a responsible neighbour while works are taking place. Our contractors regularly ensure that the local area around the site is kept clean and tidy and carry out litter picking and cleaning of pavements. Traffic marshals are in place at each of the site entrances to ensure that any impact of construction traffic on local roads is managed.

Contractors have set up an onsite flower display using flowers from CGMA

Commitment to neighbours

We are committed to working with the local community throughout the construction process. We hold regular meetings with our neighbours to discuss the upcoming works on site with our contractors and the site manager.

Noise, dust and vibration monitoring takes place regularly to ensure that disruption for neighbours is kept to a minimum. Regular updates are also posted on the site noticeboard, located fronting Nine Elms Lane.

Creating local jobs

Wanda One UK and our contractors are committed to creating jobs for local people on site. We are working closely with Wandsworth Council, Nine Elms on the South Bank and the local jobs brokerages to ensure that job opportunities are advertised to local residents.

Nine Elms on the South Bank

The team are working closely with Nine Elms on the South Bank to coordinate construction works with other developers and promote local community events. To find out more about what is taking place in the area visit www.nineelmslondon.co.uk

Weekly emails

The development team sends out a weekly email to residents with an update on the latest works taking place on site. To register residents can email onenineelms@cascadepr.co.uk.
